I. inductive vs. deductive

- inductive "inside out":

studying to _____ a conclusion

- deductive "outside in":

_____ with a conclusion, then proving it

II. Inductive Bible Study

- *set aside*

Inductive Bible study begins by _____

your biases and conclusions,

then it attempts to study the Bible _____

- *start first*

Inductive Bible study begins by _____

with the Bible _____

and then basing your _____ upon

what the Bible says.

- **Speak out**

Inductive Bible study allows the Bible to

_____ for itself,

rather than _____ your own views upon

the Bible. ...let it change your views

- **Study hard**

Inductive Bible study begins by _____

_____ the evidence,

then moving toward a _____ .

...not vice versa.

- **Seek answers**

Inductive Bible study seeks answers by

_____ the meaning,

not trying to _____ your own opinions.

II. Inductive Bible Study Steps

Observation: What Does It _____ ?

Interpretation: What Does It _____ ?

Application: How Does It _____ to Me?
