### A Note for Pr'me Leaders:

Since this *Level Up* series doesn't have one specific Point each week, *and* everyone isn't hearing the same teaching topic, we've made some adjustments to the discussion guides for this whole series. Instead of the PGDG focusing on you as the leader guiding the content, this month the PGDG will use more general questions for you to allow your Pr'me Group to share/teach what *they* have learned in their various video "tracks". Because of this, each week's guide will be virtually identical with some minor changes. In addition, in place of "The References" section, the last page of each week's PGDG will have an overview of the three *Level Up* Tracks for that week, so that you have an idea of what your group was learning.

The ultimate goal of this series is to listen to what God wants for each of us to do to take the next step of obedience...to level up! With that in mind, each PGDG will conclude with an opportunity for your Pr'me to share what God is leading them to do next—please don't rush through this part...and pray that God will take your Pr'me to the next level!

### The Repeats (required)

They are the same, but *WE* change, so please discuss these with your group

- [Share the announcements (on FB thread) with your group]
- God is ALWAYS working! Sometimes we just need to keep our "antennae up", to be looking for it. Go around your group and share your God Moments of how you have seen God working, either in your life or in the life of another over the past month.
- Is there anything that you want to share that has stood out to you so far from the current Point series?

## The Reenergizer (optional)

Use this question if you need to get your group talking

- What was your favorite video game when you were a child? Why was it your favorite?

## The Reflection (required)

Discuss these to go deeper, *and more personal*, into applying the Point

- The discussions will be a bit different for this *Level Up* series, where you will have a chance to share with the group what you learned in your video “track” each week (so you may want to take notes 😊).
- If you were in the *WX*, what track did you choose this week?
- For those that were in the same track, answer together: how would you all summarize/explain the content highlights for the rest of those who weren't in that track? [repeat for each track]
- What are two things that you really enjoyed in your track this week? (they don't have to be deep or spiritual!)
- What is one thing that challenged you in your track this week?
- Use two words to describe what God taught you in your track.
- This series is called *Level Up* because we want to listen to what God wants for each of us to do to take the next step of obedience. That step won't be the same for each person, but it's essential to our growth to take that step. Take some time to be open with your Pr'me and share these three things:
  - What is God leading you to do to level up from the track that you chose this week?
  - Do you think this next step is going to be easy or hard for you?
  - How can we pray for you to obey God in this way?
- Close by praying for your Pr'me, or allow time for them to pray for each other.

## Level Up Tracks May 12, 2019

### Track A Garage: *Level Up Your Love*

*Of Good Courage* series: Bob Goff

"Love Everybody, Always"

- We only have a short time on this earth. What are you going to do with it? With his contagious enthusiasm and vibrant humor, Bob Goff reminds us that Jesus has called us to love everybody...always.

### Track B Lobby: *Level Up Your Hope 1*

*Through the Eyes of a Lion* series: Levi Lusko

"Turn Off The Dark"

- The darkness you might feel looming over your life won't last forever. Heartbreaks heal. Suffering is temporary. In this two-week series, Pastor Levi Lusko shares about how the life and death of his daughter Lenya have shaped his family since her passing. He gives four ways to make it through grief, from remembering how close Heaven is, sticking together in Pr'me Groups, facing our pain head-on, and calling on God.

### Track C Bay 4: *Level Up Your Bible Knowledge 2*

*The Bible for Grown-Ups* series: Andy Stanley

"In The Beginning"

- "In the beginning. . . ." can be a loaded phrase—one that forces us into debate and doubt. But maybe we're missing the point of Genesis 1:1—a point Moses made to a world where the violence and injustice of the gods justified and legitimized the violence and injustice of human rulers. Moses introduced a radically different, unparalleled, and untested worldview.
