“Your Worship... Dating &
Marriage... Bible Knowledge(4)”

A Note for Pr'ime Leaders:

Since this *Level Up* series doesn't have one specific Point each week, *and* everyone isn't hearing the same teaching topic, we've made some adjustments to the discussion guides for this whole series. Instead of the PGDG focusing on you as the leader guiding the content, this month the PGDG will use more general questions for you to allow your Pr'ime Group to share/teach what *they* have learned in their various video “tracks”. Because of this, each week's guide will be virtually identical with some minor changes. In addition, in place of “The References” section, the last page of each week's PGDG will have an overview of the three *Level Up* Tracks for that week, so that you have an idea of what your group was learning.

The ultimate goal of this series is to listen to what God wants for each of us to do to take the next step of obedience...to level up! With that in mind, each PGDG will conclude with an opportunity for your Pr'ime to share what God is leading them to do next—please don't rush through this part...and pray that God will take your Pr'ime to the next level!

The Repeats (required)

They are the same, but *WE* change, so please discuss these with your group

- [Share the announcements (on FB thread) with your group]
- God is ALWAYS working! Sometimes we just need to keep our “antennae up”, to be looking for it. Go around your group and share your God Moments of how you have seen God working, either in your life or in the life of another over the past week.
- Is there anything that you want to share that has stood out to you so far from the current Point series?

The Reenergizer (optional)

Use this question if you need to get your group talking

- If you had to be transported *into* a video game (think *Jumanji: Welcome to the Jungle*), what video game would you choose? Why?

The Reflection (required)

Discuss these to go deeper, and more personal, into applying the Point

- The discussions will be a bit different for this *Level Up* series, where you will have a chance to share with the group what you learned in your video “track” each week (so you may want to take notes 😊).
- If you were in the *WX*, what track did you choose this week?
- For those that were in the same track, answer together: how would you all summarize/explain the content highlights for the rest of those who weren't in that track? [repeat for each track]
- What are two things that you really enjoyed in your track this week? (they don't have to be deep or spiritual!)
- What is one thing that challenged you in your track this week?
- Use two words to describe what God taught you in your track.
- This series is called *Level Up* because we want to listen to what God wants for each of us to do to take the next step of obedience. That step won't be the same for each person, but it's essential to our growth to take that step. Take some time to be open with your Pr'me and share these three things:
 - What is God leading you to do to level up from the track that you chose this week?
 - Do you think this next step is going to be easy or hard for you?
 - How can we pray for you to obey God in this way?
- Close by praying for your Pr'me, or allow time for them to pray for each other.

Level Up Tracks May 26, 2019

Track A Garage: Level Up Your Worship

The Heart of Passion series: Louie Giglio

"How Great Is Our God"

- Our life is a miracle, and the Creator of the universe knows each of us by name. He's big enough to breathe out the stars, yet intricate enough to fashion together the trillions of cells that make up every facet of who we are. And He cares about each of us and promises to carry us through. He will hold onto you and hold you together, giving strength to those who hope in His unfailing love.

Track B Lobby: *Level Up Your Dating & Marriage*

From This Day Forward series: Craig Groeschel

"Seek God"

- Tired of watching marriages crumble? Fed up with couples giving up? Would you like to guarantee that your marriage will last? Join the fight against destruction with this first commitment to fail proof your current or future marriage.

Track C Bay 4: *Level Up Your Bible Knowledge 4*

The Bible for Grown-Ups series: Andy Stanley

"For The World"

- The Bible did not create Christianity. Christianity is the result of an event (the resurrection) that created a movement (the church) that produced sacred and reliable texts that were collected and bound into a book (the Bible). But how do we approach not being at peace with everything we read in the Bible? Paul—the apostle, Pharisee, author, preacher, and church planter—offers us clarity and confidence to move forward.
